

**Union County Schools
School Governance Team Election Notice**

Section 5.5. Election Procedures for Parent/Guardian Slots

Parent/guardian with at least one child in the school will be eligible to vote for the parent/guardian slots. Union County Schools will determine the election date in which each eligible voter can cast their ballot. Union County Schools will determine parent/guardian eligibility for voting. All elected positions are required to attend a 2-hour orientation meeting prior to running for a slot.

Notice of voting period will be published at least two times prior to and two times during the voting period in school publications, notices to be sent home to families, and/or on the school's website.

Union County Schools' Central Office will manage the election process. Ballots will be tabulated at the Central Office and will be open to the public.

Parents that are interested in running for the School Governance Team need to contact their student's Principal for more information.
